## PROFILE

As a dedicated Front-End Developer, I thrive on crafting intuitive and visually engaging web applications. My expertise lies in HTML, CSS, JavaScript, and leveraging frameworks like React to build responsive and user-friendly interfaces. Continuously exploring cutting-edge web technologies, I am committed to writing clean and maintainable code that follows industry best practices.

## EDUCATION

**Lovely Professional University, Punjab**

Bachelor of Technology- Computer Science and Engineering

*August 2020- Present*

*Current CGPA: 7.58*

**Sinha Modal High School, Patna, Bihar**

Senior Secondary

*Percentage: 78%*

**DAV Public School , Patna**

High School

*Percentage: 82%*

## TECHNICAL SKILLS

**Languages**

: Java

**Web Technologies**

: HTML, CSS, JavaScript, React JS, Bootstrap

**Data Management**

: SQL

**Others**

: Adobe Photoshop, WordPress

**Tools**

: VS code, GitHub

## PROJECTS

**Random Cat App**

*May'23*

- **Details:** - Created Random Cat App which is an interactive web application built using React.js. The app fetches data from a cat image API and displays random cat pictures to users with each refresh or button click. It is a delightful project that showcases the power of React.js in creating dynamic and engaging user interfaces.
- **Technologies used:** HTML, CSS, JavaScript, and ReactJS.

**Google Book API**

*June'23*

- **Details:** - This project showcases the power of React.js in creating dynamic user interfaces while harnessing the extensive book data available through the API. It allows book enthusiasts to discover and explore a vast library of books using the Google Books API.
- **Technologies used:** HTML, CSS, JavaScript, and ReactJS.

**Tic Tac Toe game**

*May'22*

- **Details:** - Constructed a simple mini tic tac toe game. It's a two-player game where each player takes turns marking a square on a 3\*3 grid with their symbols X or O.
- **Technologies used:** HTML, CSS, and JavaScript.

## CERTIFICATION

- Java Developer Course (05/2023)
- DSA Self-Paced Course (08/ 2023)
